

A Child's Garden/Wee Lad & Lassie Summer Camp

Camp will be held at Wee Lad & Lassie and A Child's Garden or Wee Lad & Lassie only depending on enrollment.

June Camps

June 16-June 20 Ahoy, Matey!

Join us for an old-fashioned swashbuckling adventure. This week we'll learn to talk and dress like pirates, make a pirate map & go on a treasure hunt. **CLOSED 6/19 for JUNETEENTH HOLIDAY**

June 23 – June 27 Healthy Bodies, Happy Kids! This week we will build healthier, stronger bodies through fitness fun and healthy eating! Fun, challenging activities including running, jumping, kicking, throwing and catching build skills, coordination and self-esteem! We'll also play traditional games such as Freeze Tag, Sharks and Minnows and many others!

July Camps

June 30-July 4 Closed this week

July 7-July 11 World Travelers Grab your suitcase and passport! Get ready for fun adventures as we experience a total immersion into cultures from around the world through songs, language, art, games and food. We will practice saying "Hello" in languages such as Spanish, Chinese, Japanese, Finnish and German. We will use our five senses to taste several traditional dishes from around the world. At the end of the week we will have a huge FIESTA before we return to the USA!

July 14-July 18 Are You the Next Picasso? Put on your art smocks and roll up your sleeves! This week we will dabble in color and experiment with various art materials to create wonderful masterpieces. We will bring paper to life using watercolors, finger-paint and oil pastels. Finally, we will experiment with other forms of art including drama and dance.

July 21 -July 25 Splash Bash! This week is WET and wild! Uncover cool things about water by playing sponge tag, rock out with water balloons. We will even explore the properties of water: is it ice, water or steam? We will have FUN with all things water this week!

July 28-August 1 STEAM Week - Join us for a week of STEAM! (Science, Technology, Engineering, Art & Math) Put your thinking caps on! This week children will explore, observe, ask questions, predict, and integrate their learning through various activities. We will also learn about engineering and physics while being curious, creative and of course having fun!
